

## 2018 SPRING CRUISE SHIP VENDOR REGISTRATION

You must complete this form if you intend to vend at any of the cruise ships this year. All cruise ship vendors must also complete the regular ASM registration form and pay the annual registration fee (\$45 for new vendors; \$35 for returning vendors). This year we have a Spring and Fall registration period. The full schedule is attached but only sign up for the non-shaded dates.

### GUIDELINES

1. Regular Astoria Sunday Market rules apply to Cruise Ship Vendors.
2. The Market Director assigns spaces.
3. Anticipate for rough weather, especially windy conditions. Weather along the Pier is often challenging. Bring weights and plan to secure vendor displays accordingly.
4. Anticipate last minute changes to cruise schedule. We have no control over when ships arrive and many issues can arise that may cause the ship to arrive early, late or be cancelled. We are not always able to give advance warning of changes but will do our best if details are known ahead of time. **Check your EMAIL before leaving!**
5. Cancellation Policy: You must give no less than 48-hour notice of cancellation. We have limited space for vendors so expect appropriate notice when unable to attend.
6. Set-up is two hours prior to arrival of the ship. Please plan your set-up accordingly.
7. Vendors need to unload and move their vehicles as efficiently as possible. There is limited space for move-in and move-out so we need all vendors to cooperate.
8. All vendors must be unloaded and cars moved no later than 30-minutes prior to the arrival of the ship.
9. Vendors need to park vehicles at the River Walk Inn parking lot (West side).
10. Vendors cannot tear down or move their vehicle until the Market Director has made the call to do so. This is for safety reasons. We typically begin the tear-down process once the last bus has delivered its passengers and do not want passengers and busses competing with vendors in the parking and load-in/out area.
